RE: Marshall v. Fort Wayne Safety Cab  
Civil No. F 78-0103  
SOL No. 04407

Dear Mr. Sweet:

It was my understanding that as a result of our September 21, 1978 meeting you and your client were to review your records and arrive at a figure you consider to be an accurate reflection of the backwages owed to the employees in question. At that time we would confer again to see if we could agree upon a basis for entering a Consent Judgment which would provide for the payment of the agreed upon sum and an injunction restraining your client from further violations of the Fair Labor Standards Act.

It has come to my attention that the Fort Wayne Safety Cab Co., has been involved in other labor problems which I understand could cause some delay in your response. However, I would hope these matters are now under control and we can now proceed to resolve this matter as expeditiously as possible.

Sincerely,
